

The Sydney Written Course 2009

1-day Workshop on the Written Component of the
FJFICM Final Fellowship Examination

February 13, 2009; Nepean Hospital, Kingswood, NSW 2747

- FJFICM exam process demystified
 - Strategic approach to exam preparation
- Suggested approach to short answers, ECG, ABG, biochemistry
 - Psychological aspects of exam preparation
- Trial 1-hour written exam, marked by real examiners

Target Audience

- The course assumes a reasonable level of theoretical knowledge – the objective is to refine question answering strategies and develop exam techniques, rather than to teach the theory of intensive care medicine
- Advanced Trainees, intending to sit the FJFICM exams in April / August 2009 would benefit the most

Faculty

Includes several current FJFICM examiners from Sydney

Registration Fee

\$50; please email Arvind Rajamani for payment modalities
